

RESULTS FROM THE LOCAL PHENOLOGY PROGRAM ANNUAL REPORT

2020

What kinds of organizations create LPPs?

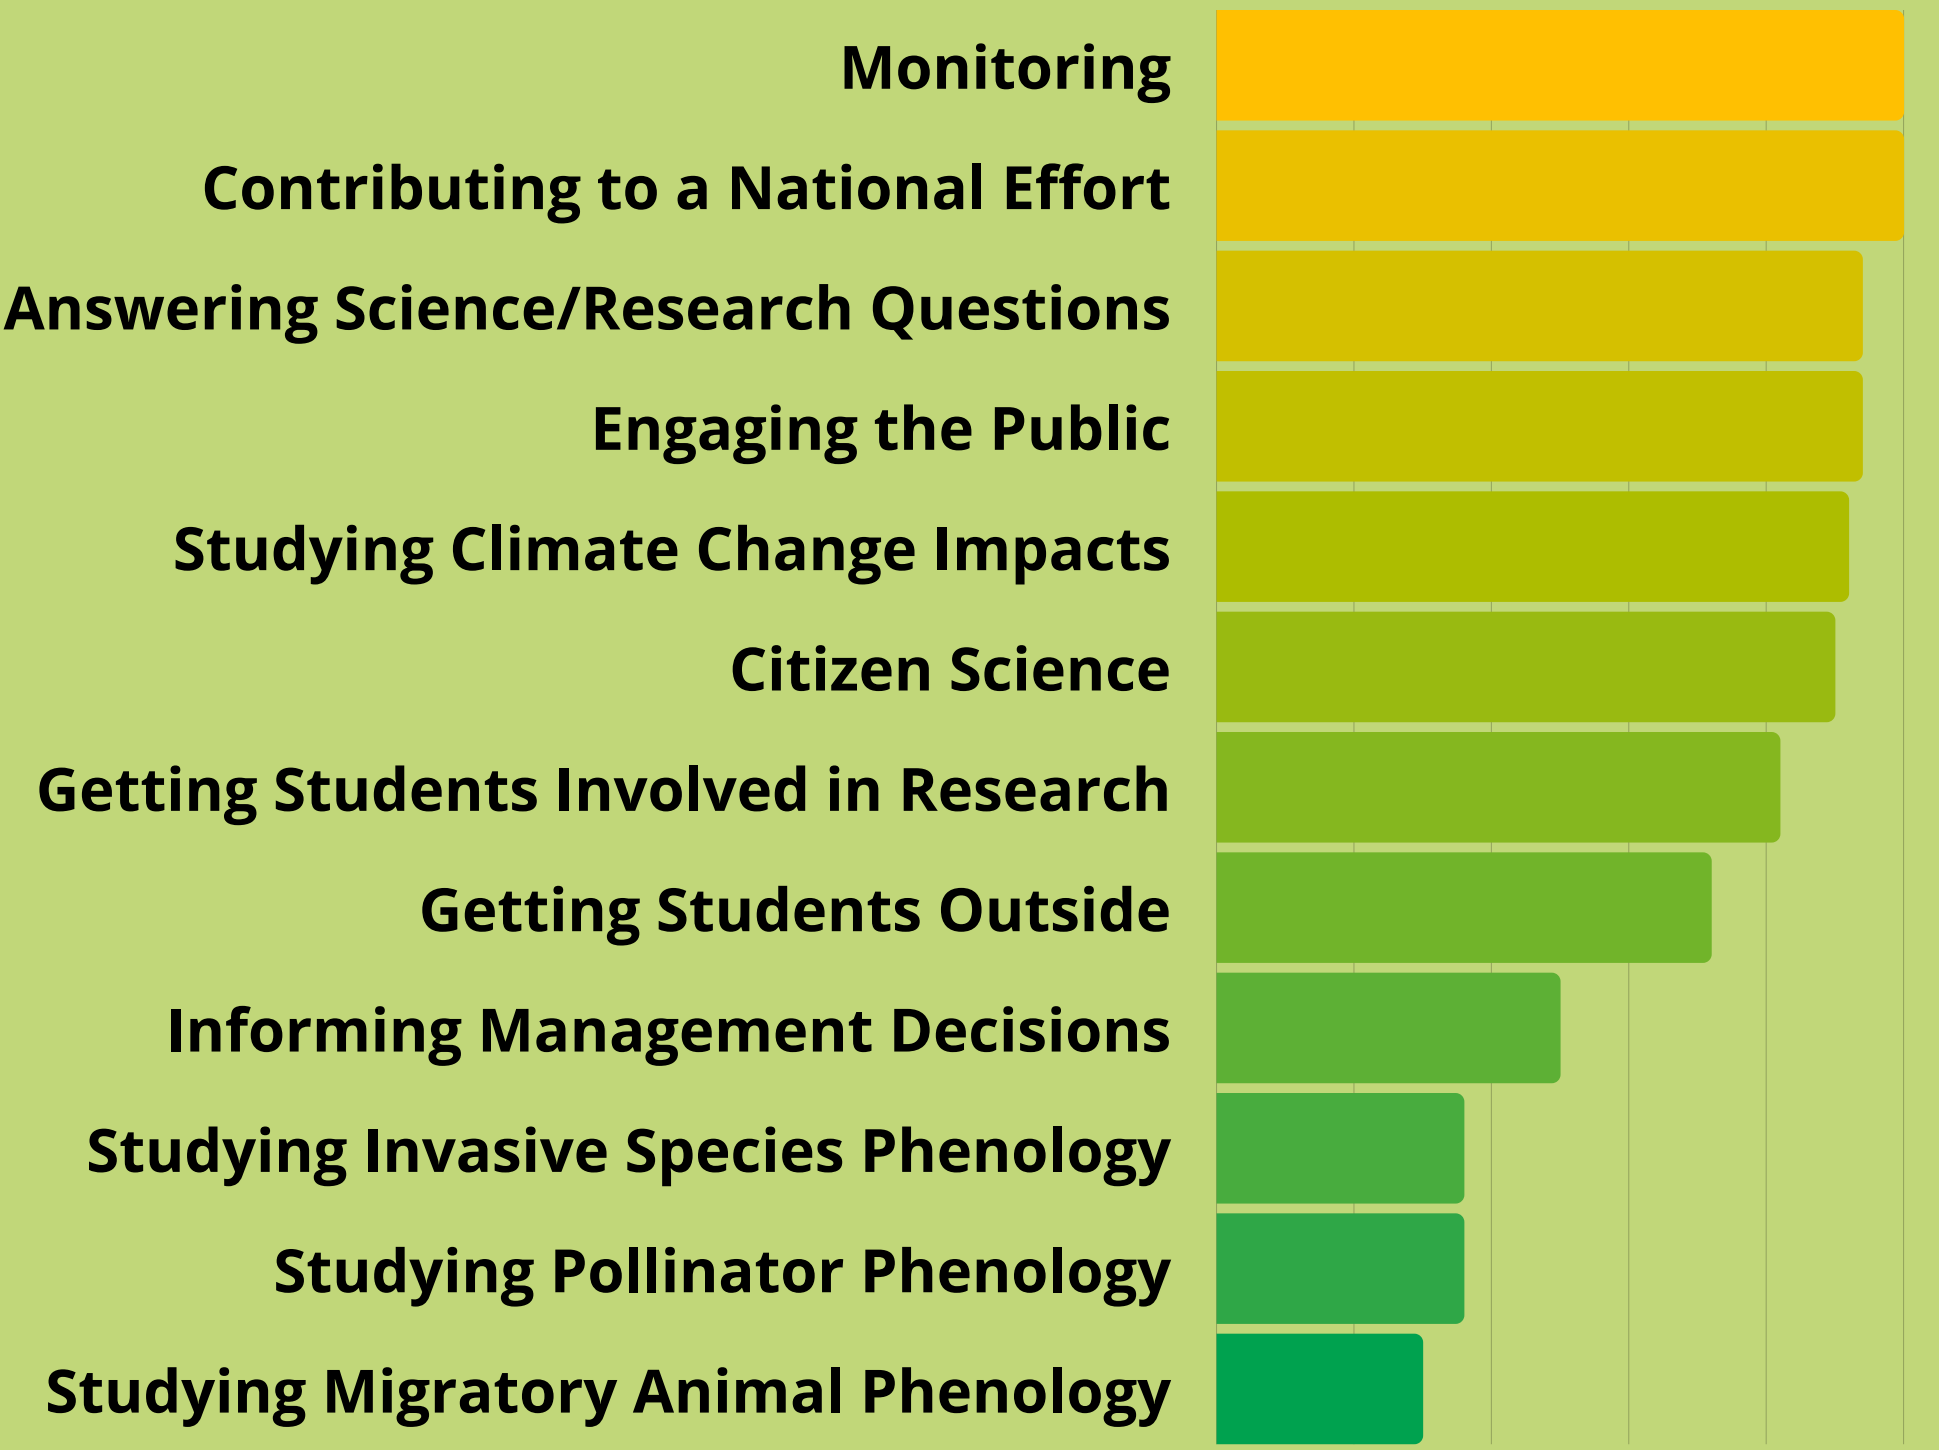

Outcomes & Accomplishments

- **4,955** total participants engaged
- **115+** new volunteers trained
- **8** impact statements submitted
- **6+** workshops held

COVID-19 Impacts & Adaptations

- **26% of all groups affected**
 - Closures and shelter-in-place prevented meetings and training
 - Student engagement decreased due to school closures
- **LPPs shared ways to stay in touch online**
 - Zoom training sessions
 - Newsletters & Emails

LPPs use *Nature's Notebook* for a variety of goals

Tips from LPPs

Start small, dream big!

Check in regularly with observers

Take photos of plants for comparison throughout the year

Data collected from a total of 81 survey responses
