

Come enjoy the second annual Phenology Days

nature's
notebook
A project of the USA-NPN

Join the USA National Phenology Network and their Tucson Partners to learn about plant and animal life cycle changes while having fun exploring around town.

Meet local phenology leaders, learn about our citizen science program - Nature's Notebook and see how to get involved.

Free activities vary all week long, we have something for everyone!

- Guided Tours
- Instructional Demos
- Slideshows
- Facepainting
- Open Discussions
- Lectures
- Much more!

Check the full schedule at
usanpn.nn.org/phenoweek2014
to plan your adventures!
